

Detail page

1. On the detail page you find technical data of your desired product on the right side. The technical data area will vary depending on the product category tyres, tubes, rims or vehicle construction.

2. You can also print or download the product information as PDF-file. To do so click on the corresponding logo in the top row of the product detail page.

- To enlarge a product picture, just click on the picture. The enlarged version of the product picture is opening in a lightbox, which you can leave by using the “close” button on the top right corner or by just pressing the “escape”-key on your keyboard.
